

# TALES FROM THE PUBLISHING CRYPT

**INSIDER SECRETS FOR BECOMING AND REMAINING A SUCCESSFUL AUTHOR**

Join us and best-selling author ...

## ED PAULSON ...

... as he reveals important secrets about getting your book written and published. Ed explains how even he, an engineer with minimal writing background, could become a successful author who now has a New York agent, several books on the shelf and an excellent reputation as an A-list author.

**Everyone can write a book. Not everyone can write a book that gets published and sold.** Why learn on your own when you can learn from someone who's already been there. Listening to this talk will motivate you to get your own book written and published.
